

IF ADDITIONAL DATA ARE NOT NEEDED

- **Record the reason(s) additional data are not needed.**

Example: The team determined that they have sufficient data for the student.

- **Notify the parents that they have a right to request an assessment to determine whether the student continues to be a student with a disability.**
- **Notify the parents that the school is not required to conduct the assessment unless requested to do so by the student's parents.**
- **Complete the Evaluation Plan for Observations and Classroom-Based Assessments.**
